

# Byte and Packet Congestion Notification

draft-ietf-tsvwg-byte-pkt-congest-03

Bob Briscoe, BT  
Jukka Manner, Aalto University

# Recent changes

- 02 → 03: structural changes, clarifications
- 01 → 02: structural changes, some clarifications
- 00 → 01: clarifications, updated references
  
- Little new text added, mostly about trying to make the document easier to understand, the recommendation and the reasoning behind it
- We seek to keep the whole discussion in, to have it well documented in an RFC

# Next steps

Please read and give us feedback!
